These I've thought on. The house
will have to begin. Plow up
the ridge. Where building it.
planning, I've further thought
the edge of the falls. Place for your
quarters must be given at the
end on the higher ground. By
building your room on a
ridge, you could get a
beautifu
place. Then, you'd

mountain

mound

ocean

be in the highest part - may
exp in the air. It would

etc.
