Superintendent of Public Safety

On January 1, 2009 Ocotillo Wells State Vehicle Recreation Area enacted a new safety regulation, also known as a Superintendent's Order.

Superintendent's Order # 439-09-01, states that no one "shall import any litter, domestic, agricultural or commercial garbage or waste, for the express purpose of disposing such material in the State Park trash cans or dumpsters."

Additionally, "No person shall climb on or into trash containers, dumpsters, nor remove, separate, or dislodge the contents inside in total or in part."

This Superintendent's Order was enacted for the safety and well being of all visitors to Ocotillo Wells SVRA.

Any questions regarding this new safety regulation may be directed to Acting Superintendent Kirk Shea by phone at 760-767-0156 or by email at kshea@parks.ca.gov.
